

English Name Chinese Name

Linfeng Mei 梅临风

Postdoctoral Scholar / PhD Student / Master Student / Research Assistant

PhD Student

E-mail : UM email address (Please Modify)

Yc17409@connect.um.edu.mo

Education

- PhD of Civil engineering
Macau University, Macau 2021.08 – 2025.08

Publications

- Structural Optimization in Civil Engineering: A Literature Review
- Fluid overpressure induce slop instability (Master thesis)

Research Interests

- Structural health monitoring
- Bayesian inference
- Machine Learning

Projects

- Simulation Research on Bridge Jumping Based on 3D Road and Full vehicle Model

Selected Awards & Honors

- Scholarship of Southeast University
- Outstanding Individual, School of Transportation, Southeast University

Academic Services

- Research assistant at National University of Singapore 2020.08-2021.01
