

Jiangzhengzhan 詹江正

PhD Student

E-mail: yc17407@um.edu.mo

Education

Ph.D. in Civil Engineering, University of Macau, China (2021- present)

Master in Aeronautical Engineering, Northwestern Polytechnical University, China (2013-2016)

Bachelor in Material Forming & Controlling Engineering, ShanDong University, China(2009-2013)

Publications

-

Research Interests

- vibration and fatigue
- Finite element model updating
- Vehicle-rail- bridge coupling response

Projects

-

Selected Awards & Honors

-

Academic Services

-
