

Zhongxing Li 李忠興

PhD Student

E-mail : yc37943@um.edu.mo

## Education

---

- PhD of Civil Engineering  
Macau University, Macau 2023.08 – now
- Master of Astrometry and Astromechanics  
University of Science and Technology of China 2019.09-2022.06
- Bachelor of Surveying and Mapping Engineering  
China University of Mining and Technology, Beijing 2015.09-2019.06

## Publications

---

- **Zhongxing Li**, Tianyi Xu, Yu Lu, Yunzhao Wu\*. Study on Reprocessing of Chang'E-1 Interference Imaging Spectrometer (IIM) Data[J]. Acta Astronomica Sinica,2022,63(5):53.

## Research Interests

---

- Aerosol polarization remote sensing
- The application of machine learning in atmospheric remote sensing

## Projects

---

- 

## Selected Awards & Honors

---

- National Encouragement Scholarship
- Tianyu Cup the fifth National Surveying and mapping skills Competition group first prize

## Academic Services

---

-
