Xiaoming Wang 王曉明

PhD Student

E-mail : yb87433@connect.um.edu.mo

Education

- PhD of Computer Science

  Macau University, Macau   2018.08 – present

Publications

- Wang, X., et al.: Generative adversarial networks based motion learning towards robotic calligraphy synthesis. CAAI Trans. Intell. Technol. March 2023, 1-14.

Research Interests

- Intelligent robotics, Machine learning

Projects

- Integrated application of intelligent operation and maintenance technology for the Hong Kong-Zhuhai-Macao Bridge

Selected Awards & Honors

- Second prize of the Twelfth Session "The Challenge Cup"
- Second prize of "National 3D Innovative Design Competition"

Academic Services

- IEEE Robotics & Automation Society Young Reviewer (RASYRP)
